Chapter 1 by Megan Juboor

Chapter 1:

As I stepped into the black night the cold winter air pushed against my face. I picked my suitcase up and walked towards the street. I quickly put my stuff in the backseat then got into my car. I started the car and got my seatbelt on. I sat there and thought about what just happened.

earlier that day

"Tara get me a beer from the fridge." My father hauled from the couch. I walked into the kitchen to find my mother feed little Matthew my baby brother. "Hey sweetheart!" My mother smiled. "Hi mom." I sighed walking to the fridge and grabbed a beer for my ignoramus father. I walked out to the living room and handed him his beer. "Thanks dear." He slurred. I faked a smile then went back to the kitchen. "I think I'm gonna take Michael to the park. Is that okay?" I asked my mother. "Using thing honey just make sure you take him bag. He is only a babe." She said with a smile.

to catch a butterfly that didn't exist. "What is wrong with you today?" I thought. surrounding the perimeter of the park. I dialed 911 and then my mother. I went as far as I could without being caught. Just a few minutes later you could hear the sirens wailing. I hear the sound of a gun being put off safety, only to turn around and see myself at gunpoint.

Chapter 3 by Grace1517

"Stay where you are," a man said gruffly

"Wh-what do you want?" I asked, on the verge of tears

"Hand over the kid," he commanded

"What could you possibly want with my baby brother?"

"He not your brother,"

"He is and I'm not going to let you take him. I love him."

"I am aware of that but your parents lied to you. They never had a kid, they adopted him because they had no idea what he really is. He's not human, now hand him over, before he does any damage to your world."

"What kind of damage?" I asked cautiously

"Well, he could possibly destroy your world if he becomes too angry and if he becomes too happy and content he will turn your world into some sort of monster, we're not completely sure yet. We just want to keep you and your world safe from this monster."

Chapter 4 by I DONT KNOW HOW BUT YOU FOUND ME

"If this is real, then why hasn't the government come and taken him, instead I am being held at gunpoint," I said confused.

"Ugh fine you caught me, but you need to give him to me," He said sternly.

"Why do you want him so bad," I asked getting annoyed.

"Because he is from the future" He yelled at me.

"What?" I said now even more confused.

"He is... our kid" He said nervously, he dropped the gun and grabbed my free hand.

"What do you mean OUR kid?" I asked, "I have never seen him before and I have never seen you so I know that we are not related." He looked at me with the situation that is unfolding.
